## **6. INDEMNIFICATION**

6.1 The SUBDIVIDER shall indemnify, defend and save harmless the COUNTY, its agents, officers and employees from and against any and all liability, expense, including defense costs and legal fees (including attorney and expert witness fees), and claims for damages of any nature

whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from or caused by any act or omissions of the SUBDIVIDER, its agents, employees, contractors or subcontractors of any tier, in connection with SUBDIVIDER's performance of this AGREEMENT, including but not limited to any workers' compensation suits, liability, or expense, any claims arising out of the construction of any of the work or improvements described above, and any claims arising under applicable environmental laws, including without limitation the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S. C. Section 9607 et seq.) and under Chapter 6.5 of Division 20 of the California Health and Safety Code, (commencing with Section 25100). This indemnity is intended to be broadly applied, except to the extent that any such claims arise from the sole negligence or willful misconduct of the COUNTY.

6.2 The indemnification set forth in Paragraph 6.1 extends to any work performed by the COUNTY, its agents or employees, under authority of Chapters 16.06 and/or 16.10 of Title 16 of the Los Angeles County Code, or under authority granted to the COUNTY by Government Code Section 831.3, where such work by the COUNTY has been initiated as a result of the failure of SUBDIVIDER to comply with any specification or requirement, or by failure of the SUBDIVIDER to complete any work contemplated by this AGREEMENT. Such work by the COUNTY, its agents or employees shall be deemed to have arisen out of the acts or omissions of the SUBDIVIDER, and for which the SUBDIVIDER agrees to indemnify, defend, and save harmless the COUNTY.

6.3 The parties intend that this indemnity provision (consisting of Sections 6.1 and 6.2) shall be broadly construed.

## 7. RELEASE

7.1 SUBDIVIDER agrees to release the COUNTY, its special districts, and their Supervisors, agents and employees (collectively, "Released Parties" or singularly, "Released Party") from all (1) causes of action, suits, legal and administrative proceedings; and, (2) claims for damages (including, without limitation special and consequential damages), injuries, costs, response costs, losses, demands, liens, liabilities, interest, fines or increases in fines, charges, penalties and expenses (including without limitation reasonable attorneys', engineers', consultants' and expert witness fees and costs incurred, paid or suffered by SUBDIVIDER that SUBDIVIDER has or may have against the Released Parties for acts and omissions of the Released Parties that, with respect to each improvement or property interest contemplated by this AGREEMENT or accepted by the County under this Agreement, have occurred or will have occurred prior to the date COUNTY accepts such improvement or property interest. The foregoing is intended as a broad release that includes, without limitation damages or losses as set forth in this paragraph relating to or arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. Section 9607 et seq.) ("CERCLA"), under Chapter 6.5 of Division 20, as amended, of the California Health and Safety Code (commencing with Section 25100) and any other applicable environmental laws.

7.2 The foregoing release is granted notwithstanding the provisions of California Civil Code Section 1542 which states: "A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

8. The SUBDIVIDER hereby grants to the COUNTY, the Surety upon any Bond, the financial institution of any improvement security, and to the agents, employees, and contractor of any of them, upon an event of default and the passage of the applicable Cure Period as set forth in Section 18 below, the irrevocable permission to enter upon the lands of the Subdivision for the purpose of completing the improvements and/or work described in Section 1, above. The permission shall terminate in the event that the SUBDIVIDER, financial institution, or the Surety has completed the work within the time specified or any extension thereof granted by the Director of Public Works or other designated County official.

9. The SUBDIVIDER shall at all times from the date of approval of the Subdivision to the completion of all work and/or improvements described in Section 1, above, and the acceptance thereof to the satisfaction of the COUNTY, give good and adequate warning of each and every reasonably foreseeable dangerous condition caused by said work and/or improvements and will implement measures appropriate to protect the traveling public therefrom.

10. The SUBDIVIDER shall have obtained such ownership, rights or control of the ground/area reserved for the installation of all work and/or improvements described above, and the streets in which they are to be placed, as is necessary to allow the SUBDIVIDER to carry out this AGREEMENT.

11. The SUBDIVIDER hereby agrees to pay for the inspection of such work and improvements as may be required by the Director of Public Works or other designated official prior to the acceptance of said work and/or improvements by the COUNTY or other agency or entity, as appropriate.

12. The SUBDIVIDER shall give notice to the Director of Public Works or other designated official at least 24 hours before beginning any work or improvements contemplated by this AGREEMENT. SUBDIVIDER shall furnish the Director of Public Works or other designated official, upon request, information relating to the improvements to be constructed pursuant to this AGREEMENT, and full access to the work site as necessary to inspect the progress and manner of work.

13. For those items of work and/or improvements that are to be maintained by the COUNTY or other agency or entity, the SUBDIVIDER shall grant to the COUNTY or other agency or entity, as appropriate, such easements and/or fee rights as are necessary for the operation, maintenance, repair or reconstruction of the work and/or improvements.

14. If the Director of Public Works determines that field conditions require changes or alterations in the construction or installation of any of the work and/or improvements described above, the SUBDIVIDER, at SUBDIVIDER's sole cost and expense, shall perform such changes or alterations based on applicable standard specifications as required by the Director of Public Works.

15. In addition to any other warranty or guarantee in favor of the COUNTY, and in addition to and notwithstanding any security posted by the SUBDIVIDER, or any other remedy available by law or in equity, the SUBDIVIDER shall guarantee the work and improvements described above against any defective work or labor or defective materials for a period of one year following acceptance by the COUNTY.

16. The SUBDIVIDER hereby agrees that all work on any existing County Highway (i.e., any County Highway that existed prior to the COUNTY's approval of the Subdivision), shall be completed in accordance with the terms and provisions of Title 16, Division 1, of the Los Angeles County Code (Highway Permits). Said Code requires, in part, that once work is commenced, it shall be prosecuted in a diligent and workmanlike manner to completion. If the COUNTY determines that the SUBDIVIDER has failed to perform as therein specified, the COUNTY reserves the right to exclude the SUBDIVIDER from the site and complete the work contemplated by COUNTY forces or by separate contract. The SUBDIVIDER further agrees to reimburse the COUNTY for all charges accruing as a result of such construction by COUNTY forces or separate contract.

17. It is further agreed that the SUBDIVIDER has filed with the COUNTY, a bond or other security acceptable to the COUNTY, to guarantee the performance of the SUBDIVIDER's obligations under this AGREEMENT and the payment to the contractor, to the subcontractors, and to persons furnishing labor, materials, or equipment to them in connection with the work and improvements described above. The faithful performance security, or portion thereof as determined by the COUNTY, shall remain in full force and effect until the end of all warranty periods as set forth in this AGREEMENT. The labor and materials security shall be maintained by the SUBDIVIDER in full force and effect until the required work is accepted by the COUNTY and until all claims for payment by all contractors, subcontractors and persons furnishing labor material or equipment are resolved. If said performance security or payment security becomes insufficient in the opinion of the COUNTY, the SUBDIVIDER shall increase the amount of said performance security and/or payment security to a sufficient amount, as directed by the COUNTY, within ten (10) days after receiving notice to do so from COUNTY.

18. SUBDIVIDER shall have thirty (30) days from delivery of written notice to it by the Director of Public Works that SUBDIVIDER is in breach of the Agreement to complete a cure (the "Cure Period"). Breaches as to which written notice will be sent include: (a) the SUBDIVIDER neglects, refuses, or fails to prosecute the work with such diligence as to insure its completion within the time specified in Section 2, above, or within such extensions of said time as have been granted by the Director of Public Works; (b) the SUBDIVIDER violates or neglects, refuses, or fails to perform satisfactorily any of the provisions of the plans and specifications; or (3) the SUBDIVIDER neglects, refuses or fails to pay the inspection fees for the work and improvements. If SUBDIVIDER fails to complete such cure within the Cure Period, SUBDIVIDER shall be deemed to be in default of this AGREEMENT, and the Director of Public Works, or other designated County official, may thereafter terminate all rights of the SUBDIVIDER in this AGREEMENT, but said termination shall not affect or terminate any of the rights of the COUNTY as against the SUBDIVIDER, financial institution, or Surety then existing or which thereafter accrue because of such default. The determination by the Director of Public Works or other designated COUNTY official that the terms of this AGREEMENT or the specifications, or any of them, have been violated, or have not been performed satisfactorily, shall be conclusive upon the SUBDIVIDER, his surety, and any and all other parties who may have any interest in this AGREEMENT or any portion thereof. The foregoing provisions of this section shall be in addition to all other rights and remedies available to the COUNTY under law.

19. In the event the County seeks recourse against a security, the County shall also have recourse against SUBDIVIDER for any and all amounts necessary to complete the obligations of SUBDIVIDER in the event the security is insufficient to pay such amounts. All administrative costs, including reasonable attorney's fees pursuant to Government Code Section 66499.4 incurred by the County, in addition to the costs of the improvements, shall be a proper charge against the security and SUBDIVIDER. Except for attorneys' fees sought by the County under Government Code Section 66499.4 or recoverable by the County under Section 6 of this Agreement, the parties are to bear their own costs and attorney's fees in any action to enforce the terms of this Agreement.

20. It is further agreed by and between the parties hereto, including the Surety or Sureties on any Bond attached to this AGREEMENT or the financial institution guaranteeing the improvement security and payment security, that in the event it is deemed necessary by the COUNTY to extend the time of completion of the work and/or improvements described above, said extension may be granted by the Director of Public Works or other designated official either at his/her own option or upon request of the SUBDIVIDER, and shall in no way affect the validity of this AGREEMENT or release the Surety or Sureties on any Bond attached hereto or the financial institution guaranteeing the improvement security and payment security. SUBDIVIDER further agrees to maintain said performance security and payment security in full force and effect during the entire term of this AGREEMENT including any extensions of time granted pursuant to this Section. The Director of Public Works or other designated official may condition any extension of time upon additional terms and conditions, including the provision of additional amounts of performance security and/or payment security as reasonably deemed appropriate by the Director of Public Works or other designated official.

21. It is further agreed by and between the parties hereto that, subject to the following three sentences, this AGREEMENT firmly binds the parties, their heirs, executors, administrators, successors or assignees, jointly and severally. The SUBDIVIDER shall immediately notify the Director of Public Works or other designated County official of any change in ownership or other event which alters the responsibility for completing the work and improvements. Upon a change in ownership, SUBDIVIDER's successor(s)-in-interest shall execute and deliver to the COUNTY a Replacement Multiple Agreement with Terms and Conditions identical in substance to the Terms and Conditions in this AGREEMENT, and shall file with the COUNTY replacement bonds or other security in amounts no greater than were posted by SUBDIVIDER and, upon receipt of same by COUNTY, COUNTY agrees to review and, if acceptable, execute such Replacement Multiple Agreement and issue a release letter to SUBDIVIDER. Upon execution of the Replacement Multiple Agreement by COUNTY, SUBDIVIDER shall be deemed to be released from its obligations under this AGREEMENT, and SUBDIVIDER's bonds or other security filed with COUNTY pursuant to this AGREEMENT shall be exonerated.

22. This AGREEMENT is intended to benefit solely the named parties and does not include any third party beneficiaries.

23. It is further agreed by and between the parties hereto, that this AGREEMENT cannot be assigned, transferred, alienated, or hypothecated by the SUBDIVIDER without the express written approval of the COUNTY.

IN WITNESS thereby, SUBDIVIDER has executed this AGREEMENT in the presence of a Notary Public on
