The California Revenue and Taxation Code provides as follows:

75.12 (a) For the purposes of this chapter, new construction shall be deemed completed on the earliest of the following dates:

(1) The date upon which the new construction is available for use by the owner, unless the owner does not intend to occupy or use the property. The owner shall notify the assessor prior to, or within 30 days of, the date of commencement of construction that he or she does not intend to occupy or use the property. If the owner does not notify the assessor as provided in this subdivision, the date shall be conclusively presumed to be the date of completion.

(2) If the owner does not intend to occupy or use the property, the date the property is occupied or used with the owner's consent.

(3) If the property cannot be functionally used or occupied on the date it is available for use considering the type of property and any special facts and circumstances affecting use or occupancy, the date the property can be functionally used or occupied.

(b) For the purposes of this section:

(1) "Occupy or use" means the occupancy or use by the owner, including the rental or lease of the property, except as provided in paragraph (2).

(2) Property shall not be considered occupied or used by the owner or with the owner's consent if the occupancy or use is incidental to an offer for a change of ownership, including, but not limited to, use of the property as a model home.

(d) Nothing in this section shall preclude the reassessment of any such property on the assessment roll for March 1 following the date of completion.

(e) The owner of any property who notifies the assessor pursuant to subdivision (a) that he or she does not intend to occupy or use the property shall notify the assessor within 45 days of the earliest date that any of the following occur:

(1) The property changes ownership pursuant to an unrecorded contract of sale.

(2) The property is leased or rented.

(3) The property is occupied or used by the owner for any purpose other than provided in subdivision (b).

(4) The property is occupied or used with the owner's consent for any purpose other than provided in subdivision (b).

(f) The failure to provide the assessor the notice required by subdivision (e), whether requested or not, shall result in a penalty in the amount specified in Section 482.
