

## LOS ANGELES COUNTY DEPARTMENT OF PUBLIC WORKS

### ATTACHMENT NO. 13 INCORPORATED CITIES – PERMIT ISSUANCE AUTHORITY

**LIMIT OF AUTHORIZATION:** This permit is valid only on routes under the jurisdiction of Los Angeles County and/or the incorporated cities which have a current permit issuance agreement with the County.

- This permit is not valid on State Highways or the roadway crossing under or over a State Freeway. A separate moving permit is required from the State (CALTRANS).
- This permit is **not valid** on streets or bridges that have posted weight limits.

**SUBJECT TO CHANGE:** 30 days prior to the beginning of each Fiscal year, which begins on July 1<sup>st</sup>; the Cities listed below shall submit a new service agreement authorizing the County to issue permits on their behalf. This requirement may result in the addition or removal of cities from the authorized list. Issued, annual permits that span 2 fiscal years may not be valid for the same cities. It may be necessary to obtain permits from those cities no longer appearing on this list and reprint this attachment.

**PERMITTEE RESPONSIBILITY:** It is the Permittee's, or his assigned agent's responsibility to verify that they have obtained all necessary permits. Operations requiring the movement of traffic control devices (signs or signal equipment), daytime parking or trimming of street trees require prior approval from selected City. Additional permits, from either the City or County, may be required.
