Notes:

All land use percentages are rounded to the nearest whole number.

Land use percentages less than 0.1% are represented with a dash (--).

(1) HDSFR = High density single-family residential.

(2) Coyote Creek is not required under the Municipal Stormwater Permit, but is included in the Monitoring Plan.

(3) The Retail/Commercial sampling site on Pier Drain in Santa Monica (S08) was dismantled and not in use in the 1999-2000 season, with prior approval from the RWQCB, to accommodate construction by city of Santa Monica of its stormwater treatment plant.
