

**Environmental Programs Events**  
**City of Malibu**  
**FY 2011-2012**

*Attach a summary of all stormwater education activities that your agency conducted or participated in last year.*

The City of Malibu's staff takes every opportunity possible to participate in planning, hosting, and/or attending local events to promote public environmental and water quality education. It is a perfect setting to provide educational materials and information to attendees, as well as be able to answer questions that the members of the public might have.

Some events that the City was involved in this past reporting year include California Coastal Cleanup Day, Ocean Friendly Garden Workshop, A Day Without a Bag (in partnership with Heal the Bay and local businesses), Smart Gardening Workshop, an Area of Special Biological Significance (ASBS) and urban runoff assembly at Point Dume Marine Science School, urban runoff science projects and video with Point Dume Marine Science School, Pepperdine University business projects for the City on urban runoff and stormwater solutions, Earth Hour which led into Earth Month (a month long promotion of environmentally friendly and sustainable practices), and two Earth Day Celebrations (at Pepperdine University and the City of Malibu's fair at Legacy Park). The Parks and Recreation Department also displays educational materials from the City's Environmental Programs Office (particularly materials which promote water quality protection) at events that may not have an environmental focus such as Malipalooza Music Festival, CineMalibu and Chumash Day.

The City also participates in and hosts many regularly scheduled education events and activities as well. These events include Brush Clearance Recycling and Free Mulch Event, Household Hazardous Waste (HHW)/Used Oil Roundups, Free Bulky Item Disposal Day, Christmas Tree Recycling Event, and a quarterly Electronic Waste Recycling Collection. The City organized a document shredding recycle event for residents and businesses. Also this year, the City partnered with a non-profit organization, Waste to Waves, to collect block foam packing material which is then recycled into surfboard blanks. These events are intended to reduce our community's impact on the environment, while providing multiple benefits such as preventing litter, illegal trash and hazardous materials dumping, reducing waste generated, and diverting waste from the landfill. The City also promotes other regional agencies' programs that provide useful services to the community such as the cities of Agoura Hills and Calabasas E-Waste Disposal and HHW Events, and the County of Los Angeles' HHW events. Educational materials for environmental programs and pollution prevention are also available at all event sites.

Examples of some of these events follow.

# **California Coastal Cleanup Day**

## **Saturday, September 17, 2011**

### **9am - noon**

**Please note: there will NOT be cleanup teams at Zuma Beach or Westward Beach due to the Nautica Triathlon**

Heal the Bay

**Get involved in your community.  
Bring family, friends & neighbors  
to help clean up marine debris  
along our shorelines!**

**Community Service hour vouchers  
provided for student volunteers**

***Together, we can make a difference!***

# Earth Day Festival

Saturday, April 22, 2012 - 12:00 PM to 3:00 PM. All activities will be held at [Legacy Park](#).

The following is a partial list of planned activities. Please check back as additional updates become available. Click the embedded links for detailed information.

**Shoe Drive:** The City and partners [Soles4Souls](#) and [1-800 GOT JUNK](#) will collect gently worn shoes.

**Native Plant Sale:** [Resource Conservation District of the Santa Monica Mountains](#) works with public and private landowners to conserve natural resources. This will be a smaller version of their annual sale, so be sure to get there early for best selection.

**Gardening Mini Workshop:** Learn about the [Smart Gardening](#) program sponsored by LA County Public Works. Backyard and worm composters will be sold at a discounted rate (cash or check accepted).

[Energy Upgrade California](#) staff will be on hand to answer questions about retrofit rebates.

**Water Conservation:** [LA County Waterworks](#) and [West Basin Municipal Water District](#) offer information about rebates for businesses and homeowners.

**Hike Legacy Park to Malibu Lagoon:** [CA State Park](#) Rangers will lead the educational tour.

**Historic Photo Exhibit:** [Adamson House](#) docents will be available for questions.

**Live Animals:** [California Wildlife Center](#) gives children and adults an opportunity to interact with animals and learn about coexisting with wildlife.

[Point Dume Marine Science School](#) will showcase environmental programs that have been implemented at the school.

**Shop Local:** [Chamber of Commerce](#) is providing valuable and current information on their new Shop Local campaign. Find out how a Chamber member, Malibu Country Mart, changed their business practices to make the shopping center greener.

**Green Fleet:** Find out about how [Waste Management](#) is making the switch to "green" vehicles and other sustainable practices.

# CELEBRATE EARTH DAY

Sunday, April 22

## Earth Day Celebration

12pm-3pm Legacy Park  
23500 Civic Center Way

Environmental education booths, arts and crafts for children, educational hike around park and Hawaiian shaved ice. Free Admission and crafts.

## Malibu Library Grand Opening

11am-2pm Malibu Library  
23519 Civic Center Way

Children's activities, interactive exhibits, art projects, local authors, story time and entertainment.

# 2012 BRUSH CLEARANCE

## CITY OF MALIBU

Residents can drop off woody brush, and then take chipped materials back to their property. **While supplies last**, free mulch will be available for pick up at this City-sponsored event. *Please be prepared to unload your own vehicle as this is a self serve event.*

Various benefits of mulch application include erosion and sediment control, weed suppression, water conservation, and the addition of nutrients to soil.

- Yard waste only - No Ice Plant, Palm fronds, Yucca, or large stumps
- NOT accepted - construction & demolition debris, tires, plastic bags
- Loads may be rejected if materials are deemed unacceptable
- Free mulch is self pack & haul—Remember to bring containers

**FRI & SAT: MAY 18 & 19**

**8:00 AM—2:30 PM**

**Drop off Location:**

**Lot at 29136 Pacific Coast Highway near Heathercliff Road**

**QUESTIONS: CONTACT THE CITY'S ENVIRONMENTAL PROGRAMS STAFF AT (310) 456-2489 EXT.286**

# BRUSH COLLECTION/MULCH

The City of Malibu provides a brush collection area for property owners doing wildfire fuel reduction on their property and is a free service to our residents. We can accept brush, limbs or trees up to eight inches in diameter. The brush is then chipped and piled as available mulch for anyone needing these materials on their property. The annual brush collection area is located at 29136 Pacific Coast Highway near Heathercliff Road.

The City cannot accept Ice Plant (*Lampranthus*), palm fronds, pine needles, raked leaves, or invasive plants such as Castor Bean (*Ricinus communis*). Grasses, straw, and hay will not be accepted because they are likely to be contaminated with weed seeds. These kinds of yard waste can be placed in your green waste bin for curbside collection.

Chipped mulch can be spread over bare soil to protect against erosion. These chips will also help to keep weeds and grass from growing in these areas. Mulches reduce the growth of weeds, when the mulch material itself is weed-free and applied deeply enough to prevent weed germination or to smother existing weeds. In addition to suppressing weed growth, mulch conserves soil moisture, moderates soil temperature, and prevents soil compaction. Spreading mulch around trees and shrubs reduces landscape maintenance and keeps plants healthy.

Mulches can add to the beauty of the landscape by providing a cover of uniform color and interesting texture to the surface. Chips should be large enough so that they do not blow around in a strong wind and should be spread to a thickness of not more than six inches. The ideal time of the year to apply mulch is late spring/early summer after the soil has warmed.

For more information, visit the City website at [www.malibucity.org](http://www.malibucity.org) or call the City's Environmental Sustainability Department at (310) 456-2489.

# Used Oil and Paint Roundup Event

- 3<sup>rd</sup> Saturday monthly
- 10 am to 2 pm
- Malibu City Hall  
23825 Stuart Ranch Rd.
- Questions:  
310-456-2489 x286
- Recycle motor oil, oil filters, and water-based paint

# Smart Gardening Workshop

- Saturday, October 8, 2011
- 9:30 am—11:30 am
- Malibu City Hall  
23825 Stuart Ranch Rd.
- Program Information:  
[www.smartgardening.com](http://www.smartgardening.com)
- Questions:  
310-456-2489 ext. 286
- Learn how to conserve natural resources, save time and money, and maintain a beautiful yard and garden.

# TOO TOXIC TO TRASH

## Household Hazardous Waste and E-Waste Roundup

Saturday, December 3, 2011  
9:00 am - 3:00 pm

**Malibu Civic Center  
Rear Parking Lot**  
23519 West Civic Center Way  
Malibu

Open to all Los Angeles County residents

# Dispose of Household Hazardous Waste and E-Waste the right way on Saturday:

**DECEMBER 3, 2011**

### **BUSINESS WASTE WILL NOT BE ACCEPTED.**

#### **What you CAN bring to an event (examples):**

- Brake fluid, paint, paint thinner, cleaners with acid or lye, pesticides or herbicides, household batteries and car batteries, pool chemicals, motor oil, oil filters, expired pharmaceuticals, anti-freeze, and fluorescent light bulbs.
- Household electronic waste which includes: Computer monitors, televisions, computer CPUs, keyboards, printers, cellular phones, etc.

#### **What you CAN'T bring to an event:**

- Hazardous waste and electronic waste from businesses.
- Explosives, ammunition and radioactive materials.
- Trash and tires.
- White goods such as refrigerators, stoves and washing machines, etc.
- Controlled substances.

#### **How to prepare items for transportation:**

- Bring the items in a sturdy box, preferably in their original labeled containers.
- Do not mix the items together.
- There is a limit of 15 gallons or 125 pounds of hazardous waste per trip.
- Be prepared to leave your containers and boxes. Remove all other items from your trunk.

For a complete listing of what you can and cannot bring or information on upcoming events, contact: 1(888) CLEAN-LA • [www.CleanLA.com](http://www.CleanLA.com), or 1(800) 238-0172 • [www.lacsd.org](http://www.lacsd.org).

Brought to you by the County of Los Angeles and presented by the Department of Public Works and the Sanitation Districts of Los Angeles County in cooperation with the cities of Agoura Hills, Calabasas, Hidden Hills, Los Angeles, Malibu, and Westlake Village.

Home-generated sharps waste such as hypodermic needles, pen needles, syringes, lancets, and intravenous needles **SHOULD NOT** be placed in your trash. Bring them to the Roundups or visit [www.CLEANLA.com](http://www.CLEANLA.com) for alternate disposal options.

You can also take your used motor oil to more than 600 oil recycling centers in Los Angeles County. Call 1(888) CLEAN-LA for a complete listing.

# MUY TÓXICO PARA TIRAR A LA BASURA

## Recolección de Desechos Tóxicos del Hogar y Electrónicos

Sábado, 3 de diciembre de 2011  
9:00 am - 3:00 pm

**Centro Civico de Malibu**  
**Estacionamiento localizado**  
**en la parte posterior**  
**23519 West Civic Center Way**  
**Malibu**

Abierto a todos los  
residentes del Condado de Los Angeles.

## Deshagase de sus Desechos Tóxicos del Hogar y Electrónicos de la Manera Correcta, el sábado: **3 de diciembre de 2011**

### DESECHOS DE NEGOCIOS NO SERÁN ACEPTADOS.

#### Que puede traer al evento:

- Líquido de frenos, pintura, tiner, limpiadores con ácido, pesticidas o herbicidas, baterías de casa y automóvil, químicos de alberca, aceite de motor, filtros del aceite, medicamentos caducados, anticongelantes y lámparas de tubo fluorescentes.
- Desechos electrodomésticos, monitores de computadoras, televisiones, UPC's de computadoras, teclados, impresoras, teléfonos móviles, etc.

#### Lo que no puede traer:

- Desechos tóxicos y electrónicos de negocios.
- Explosivos, municiones y materiales radiactivos.
- Basura y llantas.
- Refrigeradores, estufas y lavadoras.
- Substancias controladas.

#### ¿Cómo preparar artículos para el transporte?

- Traiga los artículos en una caja firme, de preferencia en sus envases originales con las etiquetas.
- No mezcle productos diferentes.
- Hay un límite de 15 galones o 125 libras por viaje.
- Esté preparado para dejar sus envases y cajas. Favor de sacar todos los otros artículos de la cajuela.

Para una lista completa de lo que puede o no puede traer o para información sobre los eventos llame al: 1(888) CLEAN-LA • [www.CleanLA.com](http://www.CleanLA.com), o al 1(800) 238-0172 • [www.lacsd.org](http://www.lacsd.org)

Patrocinado por el Condado de Los Angeles y presentado por el Departamento de Obras Públicas y los Distritos Sanitarios del Condado de Los Angeles en cooperación con las ciudades de Agoura Hills, Calabasas, Hidden Hills, Los Angeles, Malibu, y Westlake Village.

Desechos de Agujas y Jeringas Usadas de uso doméstico como agujas hipodérmicas, agujas de pluma, lancetas y agujas intravenosas **NO SE DEBEN TIRAR** en la basura. ¡Tráigalos a los eventos de recolección o visite [www.CleanLA.com](http://www.CleanLA.com) para opciones alternativas de la disposición!

También puede llevar su aceite de motor usado a más de 600 centros de reciclaje en el Condado de Los Angeles. Llame al 1(888) CLEAN LA para el lugar más cercano a usted.

Impreso en papel reciclado.
