

Staff Training Summary, 2011-2012

September 30, 2011: The City's NPDES Program Coordinator conducted a field meeting with the City's Maintenance Leadworker and Maintenance Supervisor to review the City's Illicit Connection/Illicit Discharge Elimination Program. These supervising staff subsequently conducted tailgate trainings for the maintenance crew responsible for responding to potential illicit discharges in the City.

May 31, 2012: The City's NPDES Program Coordinator met with the City's full-time custodial crew to discuss the proper procedures for using cleaning projects in and around outdoor facilities such as picnic shelters and restrooms. The same training was repeated for the part-time custodial crew on June 1, 2012.
