

Los Angeles County Municipal Storm Water Permit (Order 01-182)  
Individual Annual Report Form  
Required Attachment

IV. Special Provisions - F. IC/ID Elimination Program – 17. Permitted Connections

The City of Lakewood owns 29 catch basins of the entire MS4 system. There are no permitted connections within these catch basins. The City of Lakewood has no data regarding permitted connections to the MS4 system owned by the County. If required, the city will work cooperatively with Los Angeles County to obtain this information in the future.
