

Alondra Park Regional Stormwater Capture Project

Presented by: Kara Plourde & Anthony Vidal

Date: April 20, 2023

Alondra Park Regional Stormwater Capture Project

Overview

The Project will construct a stormwater capture system at Alondra Park

- The project will implement multiple underground stormwater capture components
- Captured runoff will either be diverted into the sanitary sewer system or treated and released into the Dominguez Channel.
- Various above ground and recreational enhancements to be implemented at Alondra Park

Past Events

- April 4, 2019 – El Camino Community Meeting
- August 8, 2020 - Community Information Session

Construction is anticipated to begin in Late August 2023.
