

# LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29, MALIBU

## BIG ROCK BYPASS

### Scope:

Replace three existing 1,500 foot sections of 10-inch diameter parallel water mains and a 30-inch diameter water main with three 1,500 foot sections of new 18-inch diameter steel water main.

### Location:

City of Malibu — Along Pacific Coast Highway just south of Big Rock Drive

### Benefits:

Improve water quality, system reliability, and enhance fire flow capacity.

### Status:

Concept phase

### Start construction:

December 2019
