

LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29, MALIBU PCH AND SEA LEVEL DRIVE WATERLINE IMPROVEMENTS

Scope:

Replace and upgrade approximately 4,300 feet of existing variously-sized waterlines to 8" steel waterlines, install 7 new fire hydrants, and reconnect 6 fire hydrants.

Location:

City of Malibu — along Pacific Coast Highway and Sea Level Drive

Benefits:

Improve water quality, system reliability, and enhance fire flow capacity.

Status:

Concept phase

Start construction:

Early 2019
