

## 3 Million Gallon Tank at Ave. M & 5<sup>th</sup> Street East

This project consists of constructing a 3-Milion Gallon (MG) steel water storage tank at Ave M and 5th street East in Palmdale. This additional storage will increase the capacity of the Lancaster water system to meet the current domestic and fire protection water demands. Construction of this project began in August 2010 and was completed in April 2011.
